

## Summary of DRAFT 2017-18 Bus Schedule Brochure

**YOUR FEEDBACK IS WELCOME, please attend an info session or write to us at [info@actr-vt.org](mailto:info@actr-vt.org).**

Oct. 13	(6:15-7:15) – ACTR
Oct. 16	(5:30-6:30) -- Vergennes Police Department
Oct. 17	(5:30-6:30) -- Lawrence Memorial Library, Bristol
Oct. 18	(5:30-6:30) -- North Branch School, Ripton

- **College/Hospital loop** was already stressed due to large footprint. Split into “College” and “Hospital”.
  - **MSB College** access campus via Hepburn (still stopping at Old Chapel) before serving ADK. From ADK go to Jayne Court and dip into Gorham Lane neighborhood *or* Otterview Park (a.m. Gorham Lane flagdown service and By Request at other times).
  - **MSB Hospital** turn up South Street. College Center for the Arts by request only. New service to Porter Express Care after Porter ER stop. New stop at Main Street Rotary.
- **Webridge St/ADK loop** absorbed into new College loop
- **MSB Marble Works** new stops at Library, Post Office and opposite Post Office. Progress directly to Shaw’s/Peterson Terrace loop without visiting the hub.
- **MSB Shaw’s** new stops at Post Office and Cannon Park. Progress directly from MSB Marble Works without a pulse point at the hub. Outbound will stop at Shaw’s, but no second stop during return trip.
- **MSB Route 7 South** to and from the hub via Cross Street. New stops at Cross Street Cut-out and Main Street Rotary. No stops at Blue Spruce, Dunkin Donuts or Evergreen.
- **Tri-Town Bristol** new hub routing takes longer than 1 hour. Schedule cascades in 1:10 increments, preserving 8:00 a.m. loop. New stops at Middlebury Post Office and opposite Post Office. Consider adjusting PM departure times via public vetting.
- **Tri-Town Vergennes** new hub routing takes longer than 1 hour. Schedule cascades in 1:10 increments, preserving 8:30 a.m. loop. New stops at Middlebury Post Office and opposite Post Office. Consider adjusting PM departure times via public vetting.
- **Snow Bowl Shuttle** no service mid-June thru Labor Day. Plus cut two midday loops from other off-peak months.
- **Rutland Connector** no change except for routing in/out via Cross Street with new stops at Cross Street Cutout and Main St Rotary.
- **116 Connector** no change except for routing in/out via Cross Street with new stops at Cross Street Cut-out and Main St Rotary.
- **Saturday LINK** cut last evening run loop, consider adjusting other loop times via public vetting
